

The floor plan shows a building layout with a central corridor. A fire alarm control panel (FACP) is indicated by a small square symbol in the central corridor area, near the intersection of the main corridor and a side corridor. The building has a complex shape with multiple rooms and corridors.

Architectural floor plan of a bathroom. The plan includes a toilet, a sink, a bathtub, and a shower area. Dimensions are provided for various sections: 1.16m for the upper wall section, 1.86m for the lower wall section, and 6.57m for the total width. Labels include 'tablette de rangement' (storage shelf), 'faux-plafond' (false ceiling), 'ETEL' (door), and 'PL' (floor). A dashed line indicates the location of a 'faux-plafond'.

Chambre / Kitch	14.51 m²
Salle d'eau	3.82 m²
Total Surface habitable	18.34 m²
