

The diagram illustrates a building layout with a main horizontal corridor and a diagonal wing. The main corridor has a blue highlighted section in the middle. A cross-corridor connects the main corridor to a diagonal wing. The diagonal wing has a series of rooms along its length. A small square area is highlighted in the cross-corridor.

Architectural floor plan of a small apartment unit. The plan shows a living area (Chambre / Kitch) on the right, a bathroom (Salle d'eau) on the left, and a kitchen area (Kitch) at the bottom. The bathroom contains a toilet, sink, and shower. The kitchen area includes a sink and stove. The living area is a large open space. Dimensions are provided: 6.57m for the overall width, 3.02m for the living area width, and 1.89m for the bathroom width. A label 'ETEL' is present near the kitchen area. A note 'faux-plafond' indicates a drop ceiling. A dashed line indicates a 'Tablette de rangement' (storage shelf). The plan is labeled 'PL' for Plan de Localisation.

A horizontal beam of length 5m is shown. The left end is labeled 0 and the right end is labeled 5m. Two point loads are applied: a 10kN load at 1m from the left end and a 20kN load at 3m from the left end.

MTA - Module thermique
ETEL - Tableau électrique
GC - Garde-corps
G - Ganivelle
PV - Pare-vue
PL - Placard
RP - Robinet de puisage
