

This is a detailed architectural floor plan of a building. The plan is roughly rectangular with a central square area shaded in blue. This central area is surrounded by various rooms, including what appears to be a large hall or auditorium on the left, several smaller rooms and offices on the right, and a central corridor system. The building has a complex layout with many rooms of different sizes and shapes. The central blue square is a prominent feature, possibly representing a central atrium or a specific functional area. The plan also shows various architectural details like doors, windows, and furniture placement.

Architectural floor plan of a 3-room apartment (3 pièces) with a balcony. The plan includes a living/dining area (SEJOUR/CUISINE), a bedroom (CHAMBRE), and a bathroom (SDD). It also shows a kitchen area with a stove, sink, and refrigerator, and a balcony (BALCON). Dimensions and room labels are provided.

Rooms and Dimensions:

- BALCON:** 312 (width) x 160 (depth)
- SEJOUR/CUISINE:** 356 (width) x 356 (depth)
- CHAMBRE:** 340 (width) x 330 (depth)
- SDD (Bathroom):** 246 (width) x 205 (depth)
- ENTREE:** 125 (width) x 295 (depth)
- TRI:** 164 (width) x 64 (depth)
- LC:** 64 (width) x 64 (depth)
- GT (Garage/Terrace):** 64 (width) x 64 (depth)

Other Labels and Features:

- SEUIL PMR:** PMR threshold
- VRE, PF, FIXE:** Window types
- OB, FAV:** Window types
- ETEL:** Entry door
- PL:** Plaque (plate)
- GT:** Garin/Terrace
- CU:** Cuisine (kitchen)
- EV:** Evacuation (drainage)
- LL:** Lave-linge (washing machine)
