The floor plan shows a complex arrangement of rooms. A large, irregularly shaped area in the center-left is shaded in solid blue. To the right of this blue area, there is a central corridor or atrium with a spiral staircase. Several rooms of varying sizes are distributed around these central features. Some rooms contain furniture like desks, chairs, and sofas. There are also smaller, more private-looking spaces, possibly offices or meeting rooms. The overall layout suggests a multi-functional building, possibly a school or a community center, with a mix of open-plan areas and enclosed rooms.
